3.1 Authorization of Issuance. Solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to be received by the District for the General Fund of the District during or attributable to Fiscal Year 2004-2005, and not pursuant to any common plan of financing, the County hereby authorizes, subject to the District’s compliance with Section 14 hereof, the issuance in the name and on behalf of the District of notes in an aggregate principal amount not to exceed Seven Hundred Fifty Million Dollars (\$750,000,000) (the “Authorized Amount”) in one or two series under Sections 53850 et seq. of the Act. The Notes shall all have the same maturity date. The Series B Notes shall not be sold or issued subsequent to the issuance of the Series A Notes, unless the County shall have received confirmation from Moody’s Investors Service (“Moody’s”) or Standard & Poor’s Ratings Services, A Division of the McGraw-Hill Companies (“S&P,” and together with Moody’s, the “Rating Agencies”) that the issuance of such subsequent series of Notes shall not cause a reduction or withdrawal in the ratings on any Series A Notes. The Notes shall be designated “Los Angeles Unified School District, 2004-2005 Tax and Revenue Anticipation Notes” (with such additional or other series designations as may be authorized herein).

3.2 Denominations, Maturity and Payment. The Notes shall be issuable in the denominations of \$5,000 and any integral multiples thereof. Each series of the Notes shall be dated the day of issuance but in no case later than February 28, 2005, shall mature not later than thirteen months after the date of issuance of the Series A Notes, as set forth in the Notice of Sale, and shall bear interest in accordance with Section 3.3 hereof. The Notes may be issued in one or two series as determined by the District in a total amount not to exceed the Authorized Amount. Principal of and interest on the Notes shall be paid at the principal office of the Paying Agent.

3.3 Interest Rate. Each series of the Notes shall bear interest at the Interest Rate from the initial date of such Notes to the maturity date and shall be payable on the maturity date or, in the case of a term to maturity greater than one year, shall be payable (1) on a date no later than one year from the date of issuance of such series of Notes and (2) on the maturity date. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

NOTWITHSTANDING THE FOREGOING, THE TRUE INTEREST COST WITH RESPECT TO EACH SERIES OF THE NOTES SHALL NOT EXCEED 4.0%.

3.4 (a) Mutilated, Lost, Destroyed or Stolen Notes. If any Note shall become mutilated, the County, at the expense of the owner of said Note, shall execute, and the Authenticating Agent shall authenticate and deliver, a new Note of like tenor and number in exchange and substitution for the mutilated Note, but only upon surrender to the Authenticating Agent of such mutilated Note. Every mutilated Note so surrendered to the Authenticating Agent shall be cancelled by it and delivered to, or upon the order of, the County. If any Note shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the County, the District and the Authenticating Agent and, if such evidence be satisfactory to each and an indemnity satisfactory to them shall be given, the County, at the expense of the owner, shall execute, and the Authenticating Agent shall thereupon authenticate and deliver a new Note of like tenor and number in lieu of and in substitution for the Note so lost, destroyed or stolen (or if any such Note shall have matured or shall be about to mature, instead of issuing a substitute Note, the Paying Agent may pay the same without surrender thereof). The Authenticating Agent may require payment of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this paragraph and of the expenses which may be incurred by the District, the County and the Authenticating Agent in the process. Any Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Note so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Resolution with all other Notes secured by this Resolution.

(b) Transfer of Notes. Any Note may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 3.4(d) hereof, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Note for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Authenticating Agent.

Whenever any Note shall be surrendered for transfer, the County shall execute and the Authenticating Agent shall authenticate and deliver a new Note. The Authenticating Agent shall require the owner of the Note requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer, and may in addition require the payment of a reasonable sum to cover expenses incurred by the County or the Authenticating Agent in connection with such transfer.

(c) Exchange of Notes. Notes may be exchanged at the office of the Authenticating Agent for a like aggregate principal amount of Notes or other authorized denominations of the same maturity and interest rate. The Authenticating Agent shall require the person requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange, and may in addition require the payment of a reasonable sum to cover expenses incurred by the County or the Authenticating Agent in connection with such exchange.

(d) Register. The Authenticating Agent will keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Notes, which shall at all times be open to inspection by the owner of the Note; and, upon presentation for such purpose, the

Authenticating Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Notes as hereinbefore provided.

3.5 Ownership, Cancellation of Notes. The District, the County, the Paying Agent and the Authenticating Agent may rely on the address of the owner of the Note as it appears in the register for any and all purposes. It shall be the duty of the owner of the Note to give written notice to the Authenticating Agent of any change in such address.

The District, the County, the Paying Agent and the Authenticating Agent may treat the person in whose name any Note shall be registered as the absolute owner of such Note, and payment of the principal of and interest on any such Note shall be made only to or upon the order of the registered owner thereof or its legal representative; provided, however, if interest is payable prior to the maturity date, such interest on such Note shall be payable to the person in whose name the Note is registered on the 15th day of the calendar month in which such interest is due by wire or check mailed to such registered owner.

All Notes surrendered for payment shall be delivered to the Paying Agent and shall be promptly cancelled by it. The District may at any time deliver to the Paying Agent for cancellation any Notes previously authenticated and delivered hereunder that the District may have acquired in any manner whatsoever, and all Notes so delivered shall promptly be cancelled by the Paying Agent. No Note shall be authenticated in lieu of or in exchange for any Notes cancelled as provided herein, except as expressly permitted hereunder. All cancelled Notes held by the Paying Agent shall be disposed of in any manner determined by the Paying Agent.

Section 4. Book-Entry System. Notwithstanding anything in this Resolution or any supplemental resolution to the contrary, the Notes shall be initially issued in the form of separate fully registered Notes. Except as provided in Section 4.1 hereof, all of the Notes shall be registered in the name of the Nominee.

With respect to the Notes registered in the name of the Nominee, the County and the Paying Agent shall have no responsibility or obligation to any participant or to any person on behalf of which such a participant holds an interest in the Notes. Without limiting the immediately preceding sentence, the County and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, or any participant with respect to any ownership interest in the Notes, (ii) the delivery to any participant or any other person, other than a holder as shown in the registration books of the Authenticating Agent, of any notice with respect to the Notes, or (iii) the payment to any participant or any other person, other than a holder as shown in the registration books of the Authenticating Agent, of any amount with respect to principal of or interest on the Notes. The County and the Paying Agent may treat and consider the person in whose name the Notes are registered in the registration books of the Authenticating Agent as the holder and absolute owner of such Notes for the purpose of payment of principal of, premium, if any, and interest on such Note, for the purpose of giving notices and other matters with respect to such Notes, and for all other purposes whatsoever.

The Paying Agent shall pay all principal of and interest on the Notes only to or upon the order of the respective holders, as shown in the registration books of the Authenticating Agent or their respective attorneys, duly authorized in writing, and all such payments shall be valid and

effective to fully satisfy and discharge the obligations hereunder with respect to the payment of principal of, premium, if any, and interest on the Notes to the extent of the sum or sums so paid. No person other than a holder, as shown in the registration books of the Authenticating Agent, shall receive a Note evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Resolution and any supplemental resolution.

4.1 Transfers Outside Book-Entry System. In the event (i) DTC determines not to continue to act as securities depository for the Notes, or (ii) the Treasurer determines that DTC shall no longer so act and delivers a written certificate to DTC to that effect, then the Treasurer will discontinue the book-entry system with DTC. If the Treasurer determines to replace DTC with another qualified securities depository, the Treasurer shall prepare or direct the preparation of new, separate, fully registered Notes, registered in the name of such successor or substitute qualified securities depository or its nominee, or make such other arrangements acceptable to the County and DTC as are not inconsistent with the terms of this Resolution or any supplemental resolution. If the Treasurer fails to identify another qualified securities depository to replace DTC, then the Notes shall no longer be restricted to being registered in the registration books of the Authenticating Agent in the name of the Nominee, but shall be registered in whatever name or names holders of notes transferring or exchanging Notes shall designate in accordance with the Resolution.

4.2 Payments and Notices to the Nominee. Notwithstanding any other provision of this Resolution or any supplemental resolution to the contrary, so long as the Notes are registered in the name of the Nominee, all payments with respect to principal of, premium, if any, and interest on such Notes and all notices with respect to such Notes shall be made and given, respectively, as instructed by DTC.

4.3 Initial Depository and Nominee. The initial securities depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

Section 5. Form of Notes. The Notes shall be issued only in fully registered form, substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures.

Section 6. Use of Proceeds. Proceeds of the Notes will be deposited either in the General Fund of the District or if the District has elected that the Note proceeds be invested pursuant to Section 9 hereof, such moneys shall be held by the Fiscal Agent and invested by the Fiscal Agent as requested by the District. Said moneys shall be used and expended by the District for any purpose for which it is authorized to expend moneys from the General Fund of the District. The County shall have no responsibility for assuring the proper use of Note proceeds by the District.

Section 7. Repayment Pledge. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys that are received by the District for the General Fund of the District during or attributable to Fiscal Year 2004-2005.

As security for the payment of the principal of and interest on the Notes, the District shall set aside and deposit or cause to be set aside and deposited, on three separate dates prior to the maturity date of the Notes, from Unrestricted Revenues an aggregate amount equal to the principal amount of the Notes. The District shall pledge such amounts, plus an amount sufficient to pay any remaining interest on the Notes and any deficiency in the amount required to be deposited during any prior month, from Unrestricted Revenues received by the District in a month ending not more than two months prior to the maturity date of the Notes (such pledged amounts being hereinafter called the "Pledged Revenues"). The dates (each a "Pledge Date") and amounts required for each such deposit shall be as determined by the Chief Financial Officer of the District (the "CFO") or his designee, and shall be as set forth in the Notice of Sale.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient Unrestricted Revenues received by the District to permit the deposit into the Repayment Account (as defined below) of the full amount of Pledged Revenues to be deposited from Unrestricted Revenues in a month, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and the interest thereon, but only to the extent permitted by law.

Section 8. Establishment of Repayment Account. The Pledged Revenues (in cash or in investments permitted by Section 9 hereof that have a market value on such Business Day equal to the amount required to be deposited on such Business Day or whose maturity value on a maturity date no later than such Business Day is equal to the amount required to be deposited on such Business Day) shall be deposited by the Treasurer, on behalf of the District, with, and held in trust by, the Fiscal Agent, as hereinafter appointed, in a special account designated the "Los Angeles Unified School District, 2004-2005 Tax and Revenue Anticipation Note Repayment Account" (the "Repayment Account"), and shall be applied as directed in this Resolution. The obligation to pay principal of and interest on the Notes shall constitute a first lien and charge on amounts deposited in the Repayment Account and any money deposited in the Repayment Account shall be for the ratable benefit of the owners of the Notes. Until the principal of the Notes and all interest due thereon are paid in full or until provision has been made for the payment in full of the principal of and interest on the Notes, the moneys in the Repayment Account shall be applied only for the purposes for which such Repayment Account was created. The Pledged Revenues are required to be deposited in the Repayment Account in the amounts indicated in Section 7 on each Pledge Date. In the event that there have been insufficient Unrestricted Revenues received by the Treasurer on behalf of the District, by the third Business Day prior to any Pledge Date, to permit the deposit into the Repayment Account of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, then the amount of any deficiency in the Repayment Account shall be satisfied and made up from any other moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon (the "Other Pledged Moneys") on such date or thereafter on a daily basis, when and as such Pledged Revenues and Other Pledged Moneys are received by the Treasurer, on behalf of the District, or directly by the District. Any balance in the Repayment Account on

the day after the final maturity date of the Notes in excess of the amounts needed to pay the principal of and interest on the Notes shall be transferred to the District's General Fund.

Section 9. Investment of Note Proceeds and Repayment Account. Note proceeds may be held by the Fiscal Agent and invested by the Fiscal Agent at the request of the District in one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P or Aa3 by Moody's. No such contract or agreement related to a series of Notes shall mature after the maturity date of the Notes. Absent such request, Note proceeds will be deposited in the General Fund of the District pursuant to Section 6 hereof.

Balances in the Repayment Account shall be invested as permitted by Section 53601 of the California Government Code or as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(l) of the California Government Code; provided that any such investment shall only be made in (1) direct obligations of the United States of America, including United States Treasury notes, bonds and bills, (2) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (3) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (4) the Los Angeles County Treasurer's Pool or (5) one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P or Aa3 by Moody's. Investments of balances in the Repayment Account shall not have maturity dates later than the maturity date of the Notes.

The proceeds of investments of moneys held and invested by the Fiscal Agent pursuant hereto shall be retained or accounted for by the Fiscal Agent until the principal of all of the Notes and the unpaid interest thereon shall have been fully paid or until provision shall have been made for such payment, at which time any excess amount shall be transferred to the General Fund of the District.

Section 10. Fiscal Agent. The Paying Agent is hereby appointed Fiscal Agent for the Notes. Funds held by the Fiscal Agent pursuant hereto shall be held and invested as herein provided.

This appointment shall not preclude the Treasurer from removing the Fiscal Agent and appointing one or more successors thereto, all without notice to or the consent of the holder of any Note. Any such successor fiscal agent shall be acceptable to the District.

Section 11. Sale of the Notes. The Notes shall be sold at a competitive sale (unless, at the request of the District, this Board of Supervisors shall approve a purchase contract with an underwriter for a subsequent series of Notes) and under conditions set forth in the Notice of Sale (the "Notice of Sale") relating to the Notes substantially in the form on file with the Executive Officer-Clerk of the County Board and hereby approved. The Treasurer, or an authorized deputy or delegate of the Treasurer, together with the Chief Financial Officer, the Controller or other authorized officer of the District, is hereby authorized and directed to accept the highest

responsible bids for the Notes producing the lowest true interest cost to the District; provided, that (i) the true interest cost for any series of Notes shall not be in excess of four percent (4%); (ii) the aggregate price to be received for any series of Notes shall not be less than 100% of the aggregate principal amount thereof; and (iii) the Notes shall otherwise conform to the limitations specified herein. Such acceptance shall constitute conclusive evidence of the approval by the County of the Notice of Sale in the form finally executed by the District.

Section 12. Execution of the Notes. The Chairman of the Board of Supervisors, the Executive Officer-Clerk of the County Board and the Treasurer are hereby authorized and directed to sign the Notes by use of their manual or facsimile signatures, and the Executive Officer-Clerk of the County Board is hereby authorized to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby authorized to cause the blank spaces thereof to be filled in as may be appropriate. The Notes shall not be valid, unless and until the Authenticating Agent shall have manually authenticated such Notes.

Section 13. Validity of Proceedings. It is hereby covenanted and warranted by the County that all representations and recitals contained in this Resolution are true and correct, and that the County, and its respective appropriate officials, have duly taken all proceedings necessary to be taken by them, and will take any additional proceedings necessary to be taken by them, for the levy, collection and enforcement of the taxes, revenue, income, cash receipts and other moneys pledged hereunder in accordance with law and for carrying out the provisions of this Resolution.

Section 14. Tax Covenants. The District has covenanted that it will make no use of the proceeds of the Notes or any other amounts that would cause the Notes to be "arbitrage bonds" under Section 148 of the Code; and, to that end, the District has agreed to comply with all requirements of said Section 148 of the Code and the Treasury Regulations promulgated thereunder, including restrictions on the use and investment of proceeds of the Notes and certain other amounts and the rebate of a portion of the investment earnings on proceeds of the Notes and certain other amounts, if required, to the United States. The District has further covenanted to do and perform all acts and things within its power and authority necessary to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code. In furtherance of the aforementioned covenants, the District has agreed to comply with the Tax Certificate to be executed by the District on the date of issuance and delivery of the Notes (the "Tax Certificate"). The Paying Agent, by acceptance of its duties hereunder, agrees to comply with any instructions received from the District that the District indicates must be followed in order to comply with the Tax Certificate. The District has covenanted that it will take no action that would cause the interest on the Notes to be included in gross income for federal income tax purposes, nor will it refrain from taking action required to maintain the exclusion of interest on the Notes from gross income for federal income tax purposes.

Section 15. Effectiveness. This resolution shall become effective upon its adoption by the County.

The foregoing resolution was on the ____ day of ____, 2004, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

TERMS OF THE SALE

Submission of Bids

All bids must be submitted only on the MuniAuction website located at www.MuniAuction.com. No other provider of Internet bidding services and no other means of delivery (i.e. telephone, e-mail, facsimile or physical delivery) will be accepted. The auction for such Notes will begin at 9:30 a.m. and end at 10:00 a.m., California Time, on August 25, 2004; provided, however, if any

bid becomes a leading bid within two (2) minutes prior to the end of the auction, then the auction will be automatically extended by two (2) minutes from the time such new leading bid is received by MuniAuction (the “Two-Minute Rule”). The auction end time will continue to be extended, indefinitely, until all leading bid(s) remain the leading bid(s) for at least two minutes.

To bid via the MuniAuction website, bidders must have both (1) completed the registration form on the MuniAuction website by the deadline established by MuniAuction, and (2) requested and received admission to the District’s auction, as described below. Only NASD registered broker-dealer and dealer banks with DTC clearing arrangements will be eligible to bid. The use of MuniAuction shall be at the bidder’s risk, and none of the District, the County, the Co-Financial Advisors nor Bond Counsel, shall be responsible for, and each bidder expressly assumes the risk of, any incomplete, inaccurate or untimely bid submitted by Internet transmission by such bidder, including, without limitation, incomplete, inaccurate or untimely bids caused by reason of garbled transmissions, mechanical failure, slow or engaged telephone or telecommunications lines or any other cause. Neither the District nor the County is bound by any advice and determination of MuniAuction to the effect that any particular bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their submission of bids through MuniAuction are the sole responsibility of the bidders, and neither the District nor the County is responsible for any of such costs or expenses. See “Information Regarding Bids” herein.

The “Rules of MuniAuction” can be viewed on the MuniAuction website and are made a part hereof. Bidders must comply with the Rules of MuniAuction in addition to the requirements of this Notice of Sale. In the event the Rules of MuniAuction conflict with this Notice of Sale, this Notice of Sale shall prevail.

For purposes of the Internet bidding process, the time as displayed on the MuniAuction Auction Page shall constitute the official time. All bids shall be deemed to incorporate the provisions of this Notice of Sale.

Further information about MuniAuction, including registration requirements, may be obtained from Grant Street Group, the parent of MuniAuction, at (412) 391-5555, ext. 370 (auction support).

Information Regarding Bids

Bidders are required to submit unconditional bids specifying the rate of interest and premium, if any, at which the bidder will purchase all or any portion of the Notes. Interest shall be bid in multiples of 1/20th or 1/8th percentum. No bid for less than \$5,000,000 principal amount of the Notes will be entertained, and all bids must be in multiples of \$1,000,000. The interest rate to be borne by the Notes shall not exceed five percent (5.0%). Notes may bear different interest rates and bidders may submit bids for Notes with different interest rates. No “all or none” bids will be accepted.

Bidders shall specify (i) the principal amount of Notes to be purchased pursuant to such bid, (ii) the interest rate to be borne by the Notes, (iii) the amount of premium, if any, that they will pay, in addition to the principal amount, to purchase the Notes, and (iv) the total purchase price,

which price shall not be less than the principal amount of Notes bid for. No bid to purchase the Notes at less than par will be accepted. Separate proposals to purchase any part of the Notes may be contained in the same electronic bid as a convenience to the bidder. If more than one electronic bid is submitted by the same bidder for any part of the Notes, each such bid shall be considered as a separate proposal for purchase of such part and no such bid for less than \$5,000,000 principal amount of the Notes shall be entertained. Bidders may change and submit bids as many times as they wish during the auction, provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower TIC when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see whether its bid(s) are 'in the money' or 'out of the money'. All bids must be made in accordance with the requirements prescribed herein and the Rules of MuniAuction, as referenced herein. Each bid submitted through MuniAuction shall be deemed an irrevocable offer to purchase all or that portion of the Notes specified in the bid on the terms provided in this Notice of Sale, and shall be binding upon the bidder.

Award and Delivery:

Unless all bids are rejected, the Treasurer, in consultation with the CFO, will award the Notes to the qualified bidder or combination of bidders offering the lowest true interest cost ("TIC") to the District for the principal amount of Notes to be awarded considering the interest rate specified and the premium offered, if any. The TIC will be the nominal annual discount rate which, when compounded semi-annually and used to discount the debt service on the Notes to September 1, 2004, calculated using the interest rate specified in the bid, results in an amount equal to the principal amount of the Notes and the premium, if any, specified in the bid. The Treasurer will not award any bid with a TIC in excess of 4.0%.

In awarding the Notes, the Treasurer, in consultation with the CFO, may accept a bid in a principal amount less than the principal amount bid (including a principal amount less than \$5,000,000) in order that the total amount of bids accepted total the amount of Notes to be issued. In the event of an award by the District for a principal amount less than the principal amount the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same TIC, the first bid submitted, as determined by reference to the time displayed on MuniAuction, shall be deemed to be the leading bid.

Delivery of the Notes will be made to the purchaser through DTC on or about September 1, 2004 (the "Closing"), upon payment in immediately available funds at the offices of Sidley Austin Brown & Wood LLP, 555 West Fifth Street, 40th Floor, Los Angeles, California 90013, or at a purchaser's request and expense, at any other place mutually agreeable to the District, the County and the purchaser.

Principal Amount Subject to Change After Receipt of Bids

The District reserves the right, following the receipt of bids and determination of the winning bid or bids, to change the total principal amount of the Notes awarded by up to 10% based upon the interest rates and premiums submitted by the successful bidders. The successful bidders will be notified of the modification to the principal amount, at the time of the award. A successful

bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Notes.

Good Faith Deposit

There is no good faith deposit required to submit a bid.

Verification

All bids are subject to verification and approval by the County and the District. The County and the District shall have the right to deem each final bid reported on the MuniAuction Observation Page immediately after the deadline for receipt of bids to be accurate and binding on the bidder. Information or calculations provided by MuniAuction other than the information required to be provided by the bidder in accordance with this Notice of Sale is for informational purposes only and shall not be binding on any of the bidder, the County and the District.

Expenses of the Successful Bidders

CUSIP numbers will be applied for by the purchasers and will be printed on the Notes and the cost of service bureau assignment will be the purchasers' responsibility. Any delay, error or omission with respect thereto will not constitute cause for any purchaser to refuse to accept delivery of and pay for the Notes. In addition, the successful bidders will pay all related DTC charges and will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will separately invoice the successful bidders for Notes.

Right of Rejection; Cancellation

The Treasurer and the CFO reserves the right in his discretion to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for receiving bids shall be of the essence. The winning bidder(s) shall have the right, at each of their option, to cancel the contract of purchase if the District shall fail to tender the Notes for delivery within 60 days from the date of sale thereof.

Prompt Award

The Treasurer, or the designee of such officer, will take action awarding Notes or rejecting all bids not later than 26 hours after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the respective successful bidders.

OTHER TERMS

Legal Opinion

The Notes are sold with the understanding that the purchaser will be furnished with the approving opinion of Sidley Austin Brown & Wood LLP. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Notes under California law and on the exclusion from gross income of the interest

on the Notes for purposes of federal and State of California income taxes. The fees and expenses of Bond Counsel will be paid from Note proceeds.

The purchasers will receive a disclosure opinion from Sidley Austin Brown & Wood LLP ("Disclosure Counsel") regarding the Official Statement.

Tax Status

In the opinion of Bond Counsel, under existing laws, interest on the Notes is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, interest on the Notes is not includable in the gross income of the owners of the Notes for federal income tax purposes, provided that such interest may be included in the calculation for certain taxes, including the corporate alternative minimum tax. Should changes in the law cause Bond Counsel's opinion with respect to the Notes to change prior to delivery of the Notes to the purchasers, any purchaser may disaffirm and withdraw its proposal for the Notes.

Certificate Regarding Reoffering Prices

As soon as practicable, but not later than one day prior to delivery of the Notes, the successful bidders for the Notes must submit to the District a certificate specifying for each maturity the reoffering price at which at least 10% of such Notes of such maturity were sold (or were offered in a bona fide public offering and as of the date of award of such Notes to the successful bidder reasonably expected to be sold) to the public. Such certificate shall be in form and substance satisfactory to Bond Counsel and shall include such additional information as may be requested by Bond Counsel.

No Litigation and Non-Arbitrage

At the Closing the District will deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Notes. The District will also deliver a Tax Certificate at the Closing covering its reasonable expectations concerning the Notes and the use of proceeds thereof.

Continuing Disclosure

In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide notices of the occurrence of certain enumerated events, if material. A form of the Continuing Disclosure Certificate is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Right to Modify or Amend

The District reserves the right to modify or amend this Notice of Sale in any respect; provided, however, that any such modification or amendment shall be communicated to potential bidders through as described herein.

Official Statement

The District will make available a Preliminary Official Statement relating to the Notes, a copy of which, along with related documents, will be furnished upon request made by telephone to Public Resources Advisory Group, Los Angeles, California, at (310) 477-8487, kscott@pragla.com. Such Preliminary Official Statement, together with any supplements thereto, shall be in form "deemed final" by the District for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final official statement (the "Official Statement"). Within seven business days after the date of award of the Notes, and in any event no later than one business day prior to Closing, up to 25 copies of the final Official Statement per \$50 million principal amount of Notes awarded will be supplied to each purchaser at the expense of the District.

Closing Certificate

The District shall deliver, at Closing, a certificate, executed by appropriate officers of the District acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the Notes are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of circumstances under which they were made not misleading.

The Notes shall be numbered from 1 consecutively upward, shall be in the denomination of \$5,000 each or any integral multiple thereof.

Section 3. Deposit of Note Proceeds. Proceeds of the Notes will be deposited either in the General Fund of the District or if the CFO has elected that the Note proceeds be invested pursuant to Section 11 hereof, such moneys shall be held by the Paying Agent, in its capacity as fiscal agent, and invested by the Paying Agent, in its capacity as fiscal agent, as directed by the District. Said moneys shall be used and expended by the District for any purpose for which it is authorized to expend moneys from the General Fund of the District.

Section 4. Payment of Notes.

(A) Source of Payment. The aggregate principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during or attributable to Fiscal Year 2004-2005 and which are available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues, as defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District shall set aside and deposit an aggregate amount equal to the principal amount of the Notes from unrestricted revenues at the end of each of three months prior to the maturity date of the Notes. The District hereby pledges such amounts, plus an amount sufficient

to pay any remaining interest on the Notes and any deficiency in the amount required to be deposited during any prior month, from unrestricted revenues received by the District in a month ending not more than two months prior to the maturity date of the Notes (such pledged amounts being hereinafter called the "Pledged Revenues"). The dates (each a "Pledge Date") and amounts required for each such deposit shall be as determined by the CFO or his designee, and shall be as set forth in the Notice of Sale. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other moneys of the District as provided in Section 53856 of the Act, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient unrestricted revenues received by the District to permit the deposit into the Repayment Account (as hereinafter defined) of the full amount of Pledged Revenues to be deposited from unrestricted revenues in any of the months specified hereinabove, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and interest thereon.

(C) Covenant Regarding Additional Short-term Borrowing. The District hereby covenants and warrants that it will not request the Treasurer to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District during the 2004-2005 Fiscal Year pursuant to the authority of Article XVI, Section 6 of the Constitution of the State of California or any other legal authority.

(D) Deposit of Pledged Revenues in Repayment Account. The District shall request the Treasurer to deposit on each Pledge Date with the Paying Agent the Pledged Revenues in cash or in investment securities of the type the District is permitted to invest in under applicable California law (or as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(1) of the Government Code of the State of California) that have a market value or a maturity value on a maturity date no later than the respective maturity date of each series of the Notes equal to the amount required to be deposited on such date. The District hereby agrees that if there have been insufficient unrestricted revenues received by the Treasurer on behalf of the District, by the third business day prior to any Pledge Date, to permit the deposit into the Repayment Account (defined below) of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, then the amount of any deficiency in the Repayment Account shall be satisfied and made up, but only to the extent permitted by law, from any other moneys of the District available for the payment of the principal of the Notes and the interest thereon (the "Other Pledged Moneys") on such date or thereafter on a daily basis, when and as such Pledged Revenues and Other Pledged Moneys are received by the Treasurer, on behalf of the District, or directly by the District. The Pledged Revenues shall be held by the Paying Agent in a special account designated as the "Los Angeles Unified School District 2004-2005 Tax and Revenue Anticipation Notes Repayment Account" (the "Repayment Account") and applied as provided in this Resolution. Any moneys placed in the Repayment Account shall be for the benefit of the holders of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at

the respective maturity date for each series of Notes with interest to such maturity date, the moneys in the Repayment Account shall be applied only for the purposes for which the Repayment Account is created.

(E) Disbursement and Investment of Moneys in Repayment Account. From the date this Resolution takes effect, all Pledged Revenues shall be deposited in the Repayment Account. After such date as the amount of Pledged Revenues deposited in the Repayment Account shall be sufficient to pay in full the principal and interest on the Notes when due, any moneys in excess of such amount remaining in or accruing to the Repayment Account shall be transferred to the general fund of the District upon the request of the District. On each respective interest payment date and maturity date of each respective series of Notes, the moneys in the Repayment Account shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Account, to the greatest extent possible, shall be invested at the request of the District in investment securities by the Paying Agent, in its capacity as fiscal agent, (i) as permitted by applicable California law, as it is now in effect and as it may be amended, modified or supplemented from time to time or (ii) as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(1) of the Act); provided that no such investments on behalf of each respective series of Note shall have a maturity date later than the maturity date of the respective series of Note; provided further that any such investment shall only be made in (1) direct obligations of the United States of America, including United States Treasury notes, bonds and bills, (2) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (3) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (4) the Los Angeles County Treasurer's Pool, and (5) as provided in Section 11 hereof.

Section 5. Execution of Notes. The District hereby requests the Chairman of the Board of Supervisors, the Executive Officer-Clerk of the County Board and the Treasurer to sign the Notes by use of their manual or facsimile signatures, and the Executive Officer-Clerk of the County Board is hereby requested to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby requested to cause the blank spaces thereof to be filled in as may be appropriate. The Notes shall not be valid unless and until the authenticating agent selected by the District and the Treasurer shall have manually authenticated such Notes.

Section 6. Sale of Notes. The distribution of the Official Statement, the Notice of Sale and the Notice of Intention are approved in connection with the offering and sale of the Notes. The actions of the Co-Financial Advisors (as hereinafter defined), on behalf of the District, in distributing the Official Statement and the Notice of Sale to such municipal bond broker-dealers, to such banking institutions and to such other persons as may be interested in purchasing the Notes therein offered for sale, are hereby approved. The Notes shall be sold at a competitive sale (unless this Board shall determine otherwise for any subsequent series of Notes) and under conditions set forth in the Notice of Sale substantially in the forms on file with the Executive Officer and hereby approved. The CFO, the Controller of the District (the "Controller"), or any other officer authorized by the CFO (an "Authorized Officer" or "Authorized Officers") is hereby authorized and directed on behalf of the District to cause the sale of the Notes through a

competitive sale, and to execute and approve the Notice of Sale. Such execution shall constitute conclusive evidence of the approval by the District of the Notice of Sale in the form finally executed. The Treasurer or any authorized deputy or delegate of the Treasurer, in consultation with an Authorized Officer, is hereby directed to accept the highest responsible bids for the Notes producing the lowest true interest cost to the District; provided, that (i) the true interest cost for any series of Notes shall not be in excess of four percent (4%) per annum; (ii) the aggregate price to be received for any series of Notes shall not be less than 100% of the aggregate principal amount thereof; and (iii) the Notes shall otherwise conform to the limitations specified herein. In the event two or more bids setting forth identical true interest costs are received, the first bid submitted, as determined by reference to the time displayed on the electronic bidding site, shall be deemed to be the winning bid. The CFO may, in his discretion, reject any and all bids and waive any irregularity or informality in any bid. The Treasurer, in consultation with the CFO, shall award the Notes or reject all bids not later than 26 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder(s). The Board of Supervisors of the County is hereby requested to cause the Notice of Sale to be approved on behalf of the County, subject to such changes or revisions therein as may be acceptable to the District and to the Board of Supervisors of the County.

Section 7. Authorization of Preliminary Official Statement and Official Statement. The District is hereby authorized to prepare or cause to be prepared a Preliminary Official Statement and an Official Statement relating to each series of the Notes, to be used in connection with the offering and sale of each series of the Notes. The District Board hereby authorizes the distribution of the Preliminary Official Statement by the District's co-financial advisors, Public Resources Advisory Group and A. Lopez & Associates LLC (the "Co-Financial Advisors") to prospective purchaser of the Notes and directs the CFO or his designee on behalf of the District to deem the Preliminary Official Statement "final" pursuant to the Securities and Exchange Commission Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, prior to its distribution by the District's Co-Financial Advisors. The CFO or his designee is each hereby authorized to (i) execute and deliver any and all documents and certificates relating to such disclosure statements and (ii) execute and deliver the Official Statement.

Section 8. Authorization of Continuing Disclosure Agreement. The CFO is hereby authorized to execute the Continuing Disclosure Agreement to be used in connection with the offering and sale of each series of the Notes. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered an event of default; however, any holder or beneficial owner of the Notes may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 9. Delivery of Notes. The proper officers of the County are hereby requested to deliver the Notes to the purchasers of the Notes. All actions heretofore taken by the officers and agents of the District Board with respect to the Notes are hereby approved, confirmed and ratified, and the officers of the District Board are hereby authorized and directed to do any and all things and take any and all actions which they, or any of them, may deem necessary or

advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this Resolution and resolutions hereafter adopted by the County Board.

Section 10. Blanket Issuer Letter of Representations. The Depository Trust Company (“DTC”) is hereby appointed depository for the Notes. DTC shall perform such functions according to the Blanket Issuer Letter of Representations on file with the Paying Agent. In the written acceptance by DTC of the Blanket Issuer Letter of Representations, DTC has agreed to take all actions necessary for all representations in the Blanket Issuer Letter of Representations with respect to DTC at all times to be complied with. In addition to the execution and delivery of the Blanket Issuer Letter of Representations, the District shall take any other actions, not inconsistent with this Resolution or any supplemental resolution, to qualify the Notes for the DTC book-entry system.

Section 11. Authorization of Investment Agreements and Guaranteed Investment Contracts. Notwithstanding anything to the contrary contained herein, the CFO (or the CFO’s designee) may determine in the best interest of the District to direct that the proceeds of any series of the Notes and/or the moneys deposited in the Repayment Account be invested in one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P or Aa3 by Moody’s. No such contract or agreement shall mature after the maturity date of the Notes or series of Notes, as applicable. In such event, the proceeds of the Notes as well as the Repayment Account will be held by the Paying Agent in the capacity of fiscal agent, and the Paying Agent is hereby authorized to act in such capacity.

Section 12. Further Actions Authorized. It is hereby covenanted that the District Board and its appropriate officials, have duly taken all proceedings necessary to be taken and will take any additional proceedings necessary to be taken by them in accordance with the law and for carrying out the provisions of this Resolution.

Section 13. Recitals. All the recitals in this Resolution above are true and correct and this District Board so finds, determines and represents.

Section 14. Tax Covenants. The District covenants that it will make no use of the proceeds of the Notes or any other amounts that would cause the Notes to be “arbitrage bonds” under Section 148 of the Code; and, to that end so long as any of the Notes are outstanding, the District and all of its officers having custody or control of such proceeds agree to comply with all requirements of said Section 148 and the Treasury Regulations promulgated thereunder, including restrictions on the use and investment of proceeds of the Notes and certain other amounts and the rebate of a portion of the investment earnings on certain amounts, including proceeds of the Notes, if required, to the federal government. The District further covenants to do and perform all acts and things within its power and authority necessary to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code. In furtherance of the covenants contained in this Section 13, the District agrees to comply with the Tax Certificate to be executed by the District on the date of issuance and delivery of the Notes (the “Tax Certificate”). The District covenants that it will take no action that would cause the interest on the Notes to be included in gross income for federal income tax purposes, nor will it refrain

from taking action required to maintain the exclusion of interest on the Notes from gross income for federal income tax purposes.

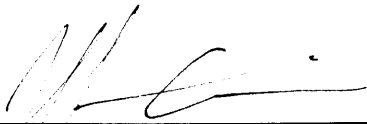

Section 15. Transmittal of Resolution. The Executive Officer of this Board is hereby directed to send an original certified copy of this Resolution to the County Board, the Treasurer and the County Superintendent of Schools.
